

**Automated Fuel Management**

fuel dispensing  
card, key and keypad controls  
automated tank gauging  
tanks leak monitoring

**Bulkplant Equipment**

loading arms (bottom & top)  
loading valves  
swivel and swing joints  
vertical tank gauges  
floating suctions  
pumps  
gauging tapes & plumb bobs  
loading racks  
load/unload pumps

**Construction & Building Products**

general purpose, heavy duty, high capacity, chemical resistant, landscaping, fast form, flow drain, power drain, classic drain, chem drain, slab drain, specialty products

**Garage/Service Equipment**

compressors  
hydraulic car, truck & bus lifts  
lubrication and grease dispensing  
used-oil collection and storage

**Hose**

curb pump/gas station  
farm trade  
petroleum suction/discharge  
hot product  
petroleum gravity drop  
fuel delivery, chemical  
hydraulic, discharge

**Hose Couplings**

quick-couplers  
dry-breaks  
re-usable gas hose ends

**Environmental Products**

absorbent pads  
absorbent booms  
"Plug n Dyke" leak sealant  
emergency spill kits  
over-fill containment  
over-fill prevention  
drip/leak containment pans

**Lubrication Equipment**

air operated pumps  
lube oil and grease dispensing  
bulk storage tanks  
workbench tank packages  
over-head reels  
used-oil collectors  
used-oil transfer systems  
lube trucks systems  
automated dispensing  
installation and service

**Meters**

municipal water  
industrial water  
industrial oil  
hot & cold water  
counting systems

**Pumps**

retail and commercial  
high-speed refueling  
utility transfer  
bulk lube transfer & dispensing  
used oil transfer

**Pumps**

diaphragm transfer  
air, electric, gas & hydraulic driven  
submerged turbine (STP)

**Piping**

flexible contained & coaxial  
fiberglass  
secondary containment  
containment & termination sumps

**Service Station Equipment**

air meters and air scales  
pump island accessories  
nozzles, hoses, swivels  
break-away valves  
dip sticks  
thermometers  
price signs  
dispensing systems  
water and gas paste

**Tanks**

fiberglass  
steel  
double and single wall  
above and below ground  
vertical and horizontal  
used oil storage  
forestry and farm

**Tank Truck and Trailer**

steel & aluminum tubular fittings  
emergency valves  
victaulic fittings  
manholes and gaskets  
load/unload valves  
over-fill systems
